Introduction

Future Managers was born out of the vision to add real value to people development throughout South Africa.

Our motto *Siyafunda Siyakhula!* (We are learning, We are growing!) is entrenched in everything we do. We have dedicated ourselves to the development of practical learning material to support teaching and learning across the multiple streams we service.

Students and educators can access digital tools such as QR codes and microsites through our easy-to-navigate website, supporting a more flexible and engaging teaching and learning experience.

FUTURE MANAGERS B-BBEE STATUS

Future Managers is a registered Broad-Based Black Economic Empowerment contributor, currently holding Level 1 Contributor status. A copy of our verification certificate is available on request.

OUR TEXTBOOKS, EBOOKS & APP

All our textbooks are available in **eBook format**, complemented by a range of digital solutions designed to support your digital learning needs. The Future Managers app offers cross-platform compatibility, and once purchased, your eBook remains accessible indefinitely.

We encourage colleges to embrace eBooks and other digital resources to enrich the learning experience. You can find more details about our free digital resources and microsites later in this catalogue.

Onboarding and technical support are available to help you successfully roll out and use our digital products.

For assistance, please contact our

National Sales Manager,

Message from Lisl McLachlan, CEO

At Future Managers, we believe in the power of education to unlock potential and transform lives.

Our purpose is clear: to add real value to people development through relevant, high-quality learning content that supports students, educators and institutions.

We are passionate about making a difference in the lives and futures of those we serve.

Siyafunda Siyakhula! is more than a motto, it's our commitment to growth through learning.

Thank you for being part of this journey. Together, we are building a better, more empowered tomorrow.

This is us

OUR MANIFESTO

We are the **Futureneers**, a team united by our core values that shape how we work, grow, and make an impact together. These principles guide us every day.

WE MEAN IT

Authenticity underpins all our actions.

- We are self-aware, genuine and real
- We allow others the space to be who they are
- We are fair, transparent and honest
- We trust ourselves and each other to do a great job
- We hold ourselves and others accountable to the promises we make and the impact we have on others

WE MAKE IT COUNT

Our work creates waves that impact everyone we touch.

- We are purposeful in our actions
- We are committed to creating social value in our country and our industry
- We drive a focus on quality
- We are led by a deep empathy and service to our customers and those they impact

WE FEEL IT

Our passion fuels us.

- We don't take ourselves too seriously
- We inspire others to feel it too
- We celebrate and appreciate the contribution of others
- We share a sense of wellbeing that allows us to thrive

WE CHASE POSSIBILITY

Ideas come from anyone or anywhere to direct our collective brilliance.

- We create an environment that embraces curiosity and creative thinking
- We are not afraid of taking risks or making mistakes
- We are wired to adapt and improve
- We remove red tape to simplify and focus on what matters most
- We share a passion to learn and grow and are fearless in chasing our dreams

BE A FUTURENEER

Our roots and legacy form the foundation of our journey.

- We build meaningful relationships
- We are inclusive and collaborate to amplify our impact
- We actively seek opportunities to work together and learn from each other
- We listen openly to understand each others' challenges and diverse perspectives
- We support and uplift everyone we touch

Our Little Guides

The *Little Guide* series is a practical collection of companion booklets designed to help students build essential soft skills for success in college, work, and life. Covering topics such as entrepreneurship, work readiness, exam success, knowledge retention, and digital citizenship, each guide is written in a clear, accessible style to support real-world application. Whether used in the classroom or for self-development, these guides give students the confidence and tools to thrive beyond academics.

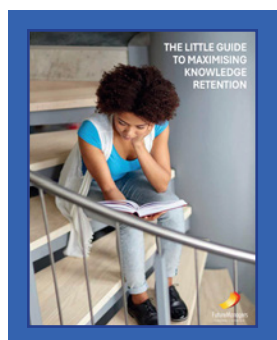

The Little Guide To Navigating The World Of Work

This practical guide equips first-time employees with essential knowledge seldom addressed in formal education. From first-day prep and workplace etiquette to managing money, tax and navigating social media, *Navigating the World of Work* offers real-world advice to help young professionals step confidently into their careers.

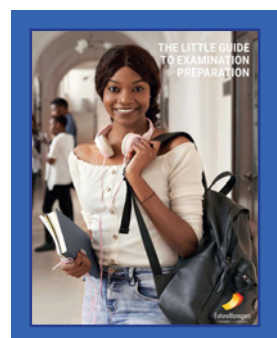

The Little Guide To Entrepreneurship

This accessible guide is ideal for aspiring entrepreneurs ready to start their business journey. From branding and networking to managing finances, social media marketing, and running operations, this clear and practical guide is packed with useful tips. It empowers anyone looking to build a business and contribute to a thriving, sustainable economy.

The Little Guide To Maximising Knowledge Retention

A practical resource designed to help students discover the most effective ways to study, revise and retain information. This guide explores a variety of learning techniques to suit different styles, all aimed at improving academic performance. With real tips from past students and space to reflect on what works for you, it's an ideal companion for exam prep and long-term success.

The Little Guide To Examination Preparation

This supportive guide helps students prepare for exams with confidence. From managing stress and finding your ideal study method to boosting mental and physical performance, it's packed with practical tips for every stage of the exam journey.
