## Quick Reference to the Page in your Textbook to Guide you in Finding Relevant Resources during the Open-Book Exam

It is suggested that you print out this reference and place it in the examination resources that you will be taking into the examination venue for the OPEN BOOK examination.

The topics are listed in alphabetical order and are the common areas where questions may be asked. Look for the topic and then the relevant page reference in your textbook is indicated.

Refer to the document: ***Tips on how to answer an OPEN BOOK examination*** for more help and guidance.

### **REMEMBER:**

An OPEN BOOK EXAM does not mean that you do not have to prepare.

An OPEN BOOK EXAM is about how you apply the knowledge that you have learned.

You must know where to find the information and be able to apply the knowledge to the questions that you will be asked in the examination.
