QUESTION 6

Read the paragraph below and answer ALL the questions.

Scenario:
The Minister of Police (previously the Minister of Safety and Security) has acknowledged that Cape Town is inundated with gangster operations and related crimes.

Some of the crimes that are committed include the following: The use of, dealing and manufacturing of drugs, assault, housebreaking, robbery, murder and corruption.

During the committing of murders the modus operandi indicate the following: At least a group of ten men are working together, the community (victims) are targeted in their houses, windows and doors are broken to gain entry, victims are killed by means of shooting and the following items are stolen; electronic equipment, cash and jewelry.

The South African Police Service has displayed poor performance due to very low detection and conviction rates. The Community indicated that the Police attend to the crimes by:

- Arriving only a day after the crime was committed
- Take statements and open a case docket
- No detective visits to the crime scene
- Closing the case docket after 2 days

NOTE: The community has also observed that most of the police officials are friendly with the known gangsters and have a lot of interaction with them.

6.1 Explain by means of TWO practical examples how each of the following crime prevention approaches must be implemented to solve the abovementioned crime issues:

6.1.1 Primary crime prevention

6.1.2 Secondary crime prevention

6.1.3 Tertiary crime prevention
