QUESTION 3

Indicate whether the following statements are TRUE or FALSE. Choose the answer and write only 'true' or 'false' next to the number (3.1–3.10) in the ANSWER BOOK.

3.1 The Transvaal Republic was one of the independent Boer Republics during the mid to late 1900s that had their own police force.

3.2 Education was segregated by means of the 1953 Bantu Education Act, which crafted a separate system of education for African students and was designed to prepare black people as members of the labour class.

3.3 Vigilantism was both constructive (good) and destructive (not good).

3.4 Community policing actually sets the police up as managers in the community, who are involved in a wide range of issues over an extended period, while problem-oriented policing may need to focus on a specific problem over a short period.

3.5 On-the-job training allows people to get away from the workplace and to concentrate on the learning itself.

3.6 Glucose is a very simple form of carbohydrate that the body burns for energy.

3.7 An advantage of vitamin C is that it helps one's nervous system to function properly.

TOTAL SECTION A: 25

SECTION B

Answer ALL the questions in this section.

QUESTION 4

4.1 Explain the leadership model that was followed by the Khoikhoi people. (5)

4.2 Briefly explain what a *colony* is, and give ONE example of a colony. (2)

4.3 There was a lot of criticism with regard to policing in South Africa when it came to the rule of law, especially up to 1994.

4.3.1 Briefly explain *the rule of law*. (1)

4.3.2 Give the FOUR principles which, read together, established the rule of law. (4)

4.4 Given our history, a multiple accountability model of civilian oversight was developed which is known as 'administrative oversight'.

Name the TWO role players responsible for administrative oversight. (2)

4.5 Leaders are not necessarily only found in the top structure of organisations.

Give THREE reasons why leadership is no longer reserved for people in top positions, according to Charlton (2000:65). (3)

4.6 Give THREE advantages of having a good leader. (3)

4.7 Leaders should commit to choosing the right person for a specific job. Brain research has taught us that people with a 'left brain' inclination and those with a 'right brain' inclination do well in certain jobs.

Name TWO characteristics usually related to people with a 'left brain' inclination. (2)

TOTAL SECTION B: 25

SECTION C

Answer ALL the questions in this section.

QUESTION 5

Read the paragraph below and answer all the questions.

> The year 2015/2016 was marked by protests of students under the banner #*feesmustfall*. There were several incidents where members of the police fired rubber bullets and stun grenades and used force to bring crowds under control. Much was said about policing and also about the other party… the students. An article from the Pretoria News newspaper reads as follows: 'Fees protests: Time for real leaders to stand up. Our students and student bodies that represent them display immaturity and as future leaders lack the ability to analyse and assess the financial situation in the country as a whole. It is time now for real leaders to stand up.'
>
> [Source: Rahman B Garrib: *Pretoria News,* 6 October 2016 p. 8)

5.1 Keeping in mind the way the police handled protesting students, in tabular form list THREE differences between a *police force* and a *police service.*

POLICE FORCE	POLICE SERVICE

(3 × 2) (6)

5.2 Describe the difference between *law enforcement* and *execution of the law*. (2)

5.3 Police officials should use their discretion when faced with a situation like the fees must fall protests. They have the power to arrest a person without a warrant.

What guidelines should police members keep in mind during an arrest without a warrant? (5)

5.4 A police service is one where all police officials care about people. One of the objectives of the police is to seriously try and prevent crime.

Name FOUR steps that the police take to bring about crime prevention. (4)
