TIME: 3 HOURS
MARKS: 150

NOTE: If you answer more than the required number of questions, only the required number of questions will be marked. All work you do not want to be marked must be clearly crossed out.

INSTRUCTIONS AND INFORMATION

1. Answer ALL the questions from SECTION A, B and C.
2. Answer only ONE question from SECTION D.
3. Read ALL the questions carefully.
4. Number the questions according to the numbering system used in this question paper.
5. Leave a space and rule off across the page on completion of each question.
6. Write neatly and legibly

NCED

SECTION A

Answer ALL the questions from this section

QUESTION 1

Choose an item from COLUMN A that matches a description in COLUMN B. Write only the letter (A–J) next to the question number (1.1–1.10) in the ANSWER BOOK.

COLUMN A		COLUMN B	
1.1	Vigilantism	A	a territory that is ruled by a government from another territory
1.2	Proteins	B	a daily living document that sets out how we should live our lives in a constitutional democracy
1.3	Vitamin B	C	police officials should apply this when faced with a situation where they possess the power to arrest a person without a warrant
1.4	The Bill of Rights	D	in South Africa it is often linked to the concept of popular justice or informal justice
1.5	Discretion	E	the development of knowledge, skill and attitude with the purpose of directly applying it to a task or a job
1.6	Insulin	F	your body uses enzymes to break this down into amino acids, which it uses to repair cells and build new ones
1.7	Training	G	iron is essential for making the protein in your red blood cells which carries oxygen to your organs, tissues and cells
1.8	Colony	H	a hormone which your body produces to bring your blood glucose or blood sugar levels down after a meal
1.9	Progression	I	it encourages growth of red blood cells, which helps to prevent iron deficiency
1.10	Haemoglobin	J	the main principle of intermediate cardiorespiratory training

QUESTION 2

Indicate whether the following statements are TRUE or FALSE. Choose the answer and write only 'True' or 'False' next to the question number (2.1–2.10) in the ANSWER BOOK.

2.1 The South African Defence Force conducted operations in the townships during apartheid; however, the Police did not support these initiatives.

2.2 Democracy is a system of representative government.

2.3 The vigilante tradition, in the classic sense, refers to organised, legal movements controlled by the armed forces.

2.4 A fast reaction time will in all events lead to the arrest of offenders.

2.5 Through real learning we enable ourselves to do something we have never done before; however, real learning does not regenerate thinking.

2.6 Proteins, carbohydrates and fats provide calories and also perform other functions. The body uses them in large quantities.

2.7 Although water-rich fruit and vegetables are healthy, these fluids do not count towards the daily total.

2.8 Physical fitness programmes are designed to encourage police officers to maintain a level of fitness, which will enable them to perform required tasks throughout their career, and provide them with long-term health benefits.

2.9 The THREE-minute step test measures your cardiovascular fitness level based on how quickly your heart rate returns to normal after exercise.

2.10 In drill, commands are broken up and given in a certain way to instil discipline.

(10 × 1) **[10]**

QUESTION 3

Complete the following sentences by filling in the missing words. Write only the word or words next to the question number (3.1–3.5) in the ANSWER BOOK.

vitamin A; fats; seven; noia; metanoia; effectiveness; minerals; training; five; education

3.1 The time it takes for police officials to respond to a call for assistance from the community is usually considered an important measure of police …

3.2 Senge (1994:13) argues that if one grasps the meaning of the word …, one grasps the meaning of the word 'learning'.

3.3 … are substances that are living or organic, and are necessary for good health, such as calcium.

3.4 … helps your body to fight off infection.

3.5 The job-related battery test consists of … parts.

TOTAL SECTION B: 25

SECTION C

Answer ALL the questions in this section

QUESTION 5

Read the paragraph below and answer all the questions.

The Minister of Police, Mr Fikile Mbalula, has taken note of rumours making their rounds in the social media, that a plan has been put in place to avenge the death of a criminal, Sandile Bhengu. Minister Mbalula wants to reassure the residents of Umlazi that threats made to commit more crime, such as the killing of police officials, will not be tolerated.

'Criminals will never rule our communities. We remain a constitutional democracy and those who dare to challenge the authority of the state by challenging the police, must know that the police will do everything in their power to maintain law and order within the parameters of the law,' said minister Mbalula. Minister Mbalula has been briefed about a 43-year-old man who was arrested yesterday outside Umlazi 'L' Community Hall where the memorial service of Sandile Bhengu was taking place. This suspect is linked to a number of cash-in-transit robberies and other robberies.

STATEMENT

The management of the police station in Umlazi are facing a serious situation. A task team has been established to ensure the safety of all community members, and they need your help. The management requested you to respond to the following questions:

5.1 Minister Mbalula stated: 'We remain a constitutional democracy.'

Briefly explain the meaning of democracy. (3)

5.2 'The police will do everything in their power to maintain law and order within the parameters of the law.'

5.2.1 Define *law enforcement* and give an example of the concept. (3)

5.2.2 Define *execution of the law* and give an example of the concept. (3)

5.3 'The police remain accountable for their actions.'

Summarise how police accountability can be measured. (3)

5.4 'Although the situation is tense, police members are trained in the use of force.'

5.4.1 Name TWO instances in which the police may lawfully use force. (2)

5.4.2 Give a short explanation of the rule of minimum force. (2)

5.5 The 43-year-old suspect that was arrested during the memorial service has certain rights with regard to Chapter 2 of the Constitution.

List SIX of these rights. (6)

5.6 Give THREE levels of force. (3)

5.7 The station commissioner of Umlazi SAPS will need to do planning due to the threats the community is experiencing.

5.7.1 Give TWO types of planning that the station commissioner would have to focus on. (2)

5.7.2 During the planning process, there are some points that must be taken into consideration.

Briefly explain THREE of these points. (3)
[30]

TOTAL SECTION C: 30

SECTION D

Choose only ONE of the following questions to answer.

QUESTION 6

According to Lab (2010:213–215), the various definitions of community policing generally include several essential features.

Name these features and explain each. **[20]**

OR

QUESTION 7

The police service consists of many levels of managers. However, leadership is as important to young recruits. Leadership and management differ in certain aspects. Charlton (2000:55–56) listed the differences between traditional management and leadership.

Draw and complete the following table in your ANSWER BOOK to display the differences. **[20]**

CATEGORY	TRADITIONAL MANAGEMENT	LEADERSHIP
