- [30]**

QUESTION 4

4.1 Check the attached ADDENDUM.

- 4.2
- The completion of a remittance register is always done in the presence of another person when the mail is opened.
 - All entries in the register should be neat, legible and correct.
 - To make a correction, draw a single line through the incorrect entry and insert the correct entry immediately above – initialled by both parties present
 - All the information required should be entered
 - No lines are left open between entries
 - Payments received must be as secure as possible, e.g. cheques must be crossed and cash kept in a safe place.
 - All payments received along with the remittance register are to be handed over to the cashier without delay.

(7 × 2)

(14)
[30]

QUESTION 5

- 5.1
- It must be easily accessible.
 - There should not be any loud noise – industrial machines – in the immediate area.
 - It must not be too far from exit.
 - It must be easy for visitors to find – near the entrance, so that visitors don't have to walk through the whole building to reach it.
 - This office must be clearly indicated with a sign such as 'Reception' or 'Information'.
 - People and documents must always flow in the same direction.
 - To improve workflow, workstations of workers who communicate regularly must be in the same area.
 - The management assistant's office must offer some privacy.
 - Arrange partitions and plants to maintain a measure of privacy and discretion.

(Any 5 × 2)

(10)

- 5.2
- The workstation must always appear efficient.
 - The office furniture must be arranged so that the person at the desk can always see who enters or leaves the workstation.
 - Furniture must be of the same style and appearance.
 - One colour scheme should be used for the workstation.
 - To minimise physical and psychological stress, ergonomically designed furniture, especially designed to make the workstation safe and comfortable, should be acquired.
 - The workstation must always be neat and clean – no piles of papers on the desk, no dirty cups, glasses or mugs standing around.
 - Dust regularly.
 - Decorations must add professionalism and tranquillity and must be in good taste.
 - A nameplate with your name and surname can be placed on the desk or on the door of the office.

(Any 5 × 2)

(10)

- 5.3
- Ergonomics – is the study of working conditions, especially the design of equipment and furniture, in order to help people work more efficiently.
 - Is the science of making the workplace comfortable and user-friendly for the employee. Previously known as human factors engineering.
 - Diary – a book with spaces for each day of the year in which things can be written down that have to be done at a future date.
 - An itinerary – a document with all the details of the planned trip – destinations, arrival and departure dates and times, accommodation and transport details.
 - The remittance register – is the register used during the process of opening mail to ensure proper control of payments to the company received through the mail.
 - Petty cash – is the amount of cash an organisation keeps in the office for the payment of smaller (petty) expenses. (Any relevant answer 5 × 2)
- (10)
[30]

QUESTION 6
