5.3 Read the itinerary below and answer the questions.

Swaziland, KwaZulu-Natal, Battlefields, Drakensberg (8 days)

Day 1

We depart early from Pretoria/Johannesburg, at 07:00 and travel to the western border of Swaziland. There we enter the **Kingdom of Swaziland** - a tiny country with a huge heart and warm friendly people. It is a country that, as the only absolute monarchy in Africa, embraces its own unique and ancient traditions.

Once we cross the border, we visit Ngwenya Glass Factory. Here glass blowers, trained in the Swedish method, create lovely items from recycled glass. It is the only factory of its kind in Southern Africa where visitors may watch from a balcony how the handmade items are being made. A visit to the factory shop and a light lunch can be enjoyed here.

After the visit to the glass factory, we head to the **oldest mine in the world**, more than 43 000 years old. The primitive miners confined their work to the mountain's summit for fear of the great horned snake, the god of the underworld that lived at the mountain's heart. Thousands of artefacts have been excavated from the site, today known as the Lion's Cavern. Over recent years radio carbon testing of charcoal nodules has established that this is indeed the earliest known mine in the world.

As we depart this fascinating site we enter the capital city of Swaziland, Mbabane. We will visit the memorial site of **King Sobhuza the Second**. From here we head to our hotel for a few hours of relaxation. Overnight at Mbabane, on bed and breakfast basis.

BUSINESS STUDIES

Day 2
We visit a selection of the most interesting markets and craft establishments. Swazi Candles, where the artists manufacture unique creations from specially prepared wax, are amongst many other arts and craft shops to be browsed through. The **handicrafts of Swaziland** have for years been of the best quality and price, sought after and exported to many countries around the world.

Our journey continues through the southern part of Swaziland, where we visit a true **Swazi family**, to see how they live in rural conditions. Remember to bring along something the family may need, if you want to donate anything.

We leave Swaziland, and go for a unique **boat safari** on Lake Pongola/Jozini dam. We enjoy a relaxed afternoon at Mkuze, where we stay overnight. Bed and breakfast.

Day 3
Departing early, we visit **Hluhluwe-Umfolozi Game Reserve**, the oldest reserve in South Africa and famous for the breeding program of the endangered black rhinoceros and white rhinoceros. In this beautiful green hilly reserve, we have a chance to spot the Big Five and wildlife not often seen in other Parks.

After our safari, we continue through the forest to St Lucia in the **Isimangaliso Wetland Park**, one of the World Heritage sites of South Africa. Many excursions can be undertaken or you may even just walk along the main road and markets or further along the lake or beach. Bed and breakfast included.

Day 4
Early departure through the northern parts of Zululand, towards the famous **Battlefields** of Natal. We visit 3 of the most famous battle sites, according to your specific interests. **Isandlwana** and **Rorke's Drift** are the sites where the Zulus and British forces clashed in 1879, after the British government in Natal issued an ultimatum to the Zulus in 1878. **Blood River** is where the Zulus attacked the Voortrekkers in December 1838, after Dingaan sent his warriors on a murderous expedition against the Voortrekkers in Natal. **Talana** is where the first clashes took place between the Boers and the Brits in the early stages of the Anglo-Boer war of 1899-1902.
After a day of historical war insights, we overnight at Dundee, on bed and breakfast basis.

Day 5
We continue on these famous Battlefields, with a visit to the renowned Ladysmith area. **Ladysmith Museum** gives you much insight in the history of the area, especially when it was under siege from the Boers. **Wagon Hill** and **Spioenkop** are amongst the world's most daunting battle sites. Overnight on bed and breakfast basis.

Overnight at the beautiful Mountain Lodge, on bed and breakfast basis.

Day 15: Southern and central parts of Kruger National Park - Hazyview

Drive to the Kruger gate this morning as early as you can. You must pay entrance at the gate and show evidence of your rest camp reservation for the night. We recommend you purchase a Kruger map at the gate. It is a thrill to encounter the wild animals from your vehicle.

Day 16: Southern and central parts of Kruger National Park - The Klaserie Private Game Reserve

It is likely to take most of the day to drive from Lower Sabie to The Klaserie Reserve. You have to drive at low speed within the park and you may make regular stops to view game. If you want to go on the late afternoon game drive, you should plan to arrive at the camp by 15:00.

Day 17: The Klaserie Private Game Reserve

On safari, enjoy game drives and guided walks with the knowledgeable rangers from your lodge.

Day 18: The Klaserie Private Game Reserve - Kruger Mpumalanga International Airport- Nelspruit - Johannesburg

After the morning game drive and a late breakfast, you drive back to KMIA airport, a drive of around 4 hours to the Kruger airport. You drop the car at the airport and fly home via Johannesburg.

Day 19: London

Arrive in England.

Our tailor-made suggestions for this itinerary:

- Add on a few days for Zambia or Zimbabwe to view the Victoria Falls. A helicopter flight is a highlight here and a sunset cruise on the Zambezi River with a drink in the hand is a good way to end the day.
- Extend your time in South Africa with a visit to KwaZulu-Natal's Battlefields. Take time walking in the beautiful Drakensberg mountains and perhaps some time relaxing and exploring the beaches of the Indian ocean.
